1. During September 1958 the programming unit of FJHUMMING which now consists of one man will be augmented by the arrival of IREN who is of German nationality and has been employed by QKACTIVE in Munich, Germany, since 1953. He is unwitting of KUBARK's connection with QKACTIVE and will not have access to classified information. He will be accompanied by his wife and daughter, also German nationals. 2. It is requested that the U.S. Ambassador be informed of this arrival. 3. The question of including the FJHUMMING staff and families in the [] evacuation plans has never been specifically raised from here, but we assume that informing you of the status of personnel as assigned automatically embraces them in your current plans. If this has not been done, we would appreciate your briefing [] on the plans and obtaining from him a list of eligible personnel for the local evacuation list. We assume also that an employee of West German citizenship will be treated in the same manner as a U.S. citizen. Please advise if our assumptions are incorrect. [] for [] [] []
